Overview of shareholder voting results

Key issues in shareholder voting from October to December 2023:

- We voted in accordance with TMAM basic policy and guidelines on shareholder voting.
- This quarter there were no proposals with potential for conflicts of interest.

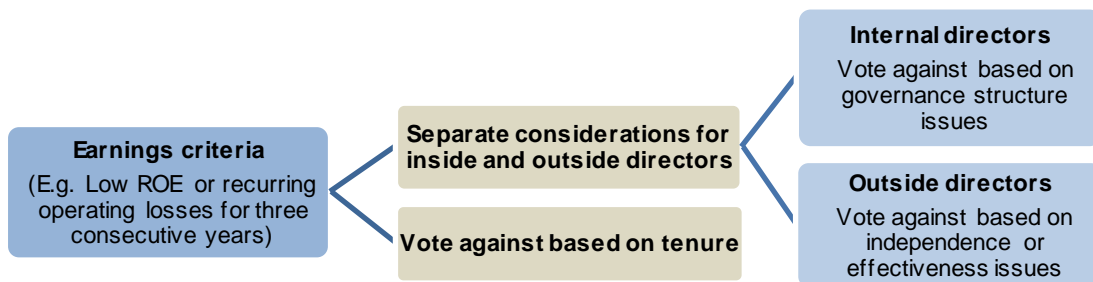

Overview of voting on company proposals and shareholder proposals

Company proposals

- Vote against the appointment of outside directors where the candidate has been in post for over 10 years, or fails to meet TMAM's independence guidelines.
- Vote against the appointment of directors where board transparency may be impaired, including where the number of independent outside directors fails to meet TMAM guidelines.

Reasons for voting against appointment/dismissal of directors

- Screening based on whether a company has met earnings criteria
- Where a company meets earnings criteria, discussions are held on a case-by-case basis; as a general rule we vote against appointment where earnings fall short of our screening criteria.

Disclosure of shareholder voting results

We will continue to use shareholder voting as a tool to request that the companies in which we invest address corporate governance in good faith and for the interest of beneficiaries.
